Was Columbus secretly Jewish? Historians argue explorer's epic voyage was to establish new homeland for his people as they escaped the Spanish Inquisition

- **Scholars believe Columbus was a 'Marrano', a secret Jew who feigned conversion to Catholicism**
- **Historians say five clues to the explorer's true faith can be found in his last will and testament**
- **New theory suggests he was looking for a safe haven for the Jews persecuted and driven out of Spain**
- **He was described as a 'deeply religious' man who was committed to the cause of liberating Israel's Holy Land**
