Name Your Roots is proud to announce a new section on its website entitled "Library". This library, a database of surnames of the descendants of the Marranos now offers visitors the opportunity to obtain thousands of bibliographic sources on surnames of Marrano descendants.

Available in three languages: English, Spanish and Portuguese, the Library allows visitors to get a closer look at the books and their authors on topics such as the history of the Inquisition, the Marranos and many related issues.

The Library search engine will enable visitors to find sources through three different formats: word, author and book title.

Search engine results will present a short review of the book, a photograph of the book cover and an option to click on the author's name to see all related books that have been published by him.

Most books may be purchased through major booksellers on the web.
