

NAMES ANALYSIS REPORT Garcias Surname Meaning & Origin

The name **Garcias** is of Spanish origin.

The English meaning of **Garcias** is High cliff

There are many indicators that the name **Garcias** may be of Jewish origin, emanating from the Jewish communities of Spain and Portugal.

When the Romans conquered the Jewish nation in 70 CE, much of the Jewish population was sent into exile throughout the Roman Empire. Many were sent to the Iberian Peninsula. The approximately 750,000 Jews living in Spain in the year 1492 were banished from the country by royal decree of Ferdinand and Isabella. The Jews of Portugal, were banished several years later. Reprieve from the banishment decrees was promised to those Jews who converted to Catholicism. Though some converted by choice, most of these New-Christian converts were called CONVERSOS or MARRANOS (a derogatory term for converts meaning pigs in Spanish), ANUSIM (meaning "coerced ones" in Hebrew) and CRYPTO-JEWS, as they secretly continued to practice the tenets of the Jewish faith.

Our research has found that the family name **Garcias** is cited with respect to Jews & Crypto-Jews in at least 25 bibliographical, documentary, or electronic references:

- Sources 1 - 10 for Garcias

The Circumcision Register of Isaac and Abraham De Paiba (1715-1775) from the Archives of the Spanish and Portuguese Jews' Congregation of Bevis Marks (London, England). |

This register is from the manuscript record preserved in the Archives of the Spanish and Portuguese Jews' Congregation of London named "Sahar Asamaim" transcribed, translated and edited by the late R.D. Barnett, with the assistance of Alan Rose, I.D. Duque and others; There is also a supplement with a record of circumcisions 1679-1699, marriages 1679-1689 and some female births 1679-1699, compiled by Miriam Rodrigues-Pereira. The register includes surnames of those circumcised as well as the names of their Godfathers & Godmothers.

Dicionario Sefaradi De Sobrenomes (Dictionary of Sephardic Surnames), G. Faiguenboim, P. Valadares, A.R. Campagnano, Rio de Janeiro, 2004 |

A bilingual (Portuguese/English) reference book of Sephardic surnames. Includes New Christians, Conversos, Crypto-Jews (Marranos), Italians, Berbers and their history in Spain, Portugal and Italy. Contains over 16,000 surnames presented under 12000 entries, with hundreds of rare photographs, family shields and illustrations. It also contains a 72-page summary of Sephardic history, before and after the expulsion from Spain and Portugal, as well as a 40-page linguistic essay about Sephardic names, including an interesting list of the 250 most frequent Sephardic surnames. The period covered by the dictionary is of 600 years, from the 14th to the 20th century, and the area covered includes Spain and Portugal, France, Italy, Holland, England, Germany, Balkans, Central and Eastern Europe, the former Ottoman Empire, Morocco, Algeria, Tunisia, Libya, Egypt, Iraq, Yemen, Syria, Lebanon, Israel, North America, Central America and the Caribbean, South

America and more.

From the civil records of Amsterdam, The Netherlands |

The Amsterdam Municipal Archives possess a complete set of registers of intended marriages from 1578 to 1811, the year when the present Civil Registry was started. Between 1598 and 1811, 15238 Jewish couples were entered in these books. Both the number of records and the volume of data that may be extracted from them are unprecedented.

From the burial register of Bethahaim Velho Cemetery, Published by the Jewish Historical Society of England and transcribed by R. D. Barnett. |

The register gives us dates for the burials in the "Bethahaim Velho" or Old Cemetery. The dates are listed as per the Jewish calendar.

Finding Our Fathers | A Guidebook to

Jewish Genealogy, by Dan Rottenberg

In this work Dan Rottenberg shows how to do a successful search for probing the memories of living relatives, by examining marriage licenses, gravestones, ship passenger lists, naturalization records, birth and death certificates, and other public documents, and by looking for clues in family traditions and customs. Supplementing the "how to" instructions is a guide to some 8,000 Jewish family names, giving the origins of the names, sources of information about each family, and the names of related families whose histories have been recorded. Other features included a country-by-country guide to tracing Jewish ancestors abroad, a list of Jewish family history books, and a guide to researching genealogy.

The Inquisitors and the Jews in the New World, by Seymour B. Liebman. Reports the names of people who appeared before the inquisition in the New Spain |

Except for a brief introduction, the entire book is a listing of Inquisition Records in the New World. This is a source for converso names in the New World.

Jews in Colonial Brazil, by Arnold

Wiznitzer |

Professor Wiznitzer gathered detailed information about individual Jewish settlers in colonial Brazil and about cases where they were brought before the Inquisition at Lisbon, and his study throws new light on some phases of Brazilian colonial history. Many Jews fled to Brazil and others were deported to the colony as convicted heretics after the King of Portugal attempted to compel all of his Jewish subjects to accept Christianity in 1497. They were active in the establishment of the sugar industry and in trade, and they maintained close relations with another large group of exiles who had taken refuge in Amsterdam. Most of the "new Christians" continued to practice the old religion secretly.

Precious Stones of the Jews in Curaçao; Curaçao Jewry 1656-1957, by Isaac Samuel Emmanuel (1957) |

Names taken from 225 tombstones of 2536 persons, 1668 - 1859, men, women and some Rabbis. Includes cemetery history and plan, biographies including family histories, chronological list of names, alphabetical list of family names + number of members + eldest tombstone year, large bibliography, general alphabetical index, 15 genealogies.

The Jews of New Spain, by Seymour B. Liebman |

Professor Liebman endeavors to discover why, beginning in 1521, Jews migrated from Old Spain to New Spain. He then proceeds to document the persistence of Jewish life in the face of a new Spanish Inquisition and formalized suppression including forced conversion and exclusion from citizenship. The author concludes it was the religious, cultural and personal vitality of Jews that caused their cherished and proud identity to persist, even though most of the earliest Jewish migrants eventually did assimilate into Mexican society.

The Sephardim of England, by Albert M. Hyamson |

A history of the Spanish & Portugese Jewish Community, 1492-1951.

+ Sources 11 - 20 for Garcias

A History of the Jews in Christian Spain, Volume 2, by Yitzhak Baer. |

Traces the economic, social, legal and political life of the Spanish Jewish community from the 11th century re-conquest of Iberia from Muslim rule to the expulsion of 1492. Based on many years of study in the Spanish archives by a Professor from The Hebrew University in Jerusalem, Israel.

History of the Jews in Aragon, regesta and documents, 1213-1327, Hispania Judaica, v.1, by Jean Regne |

A series of royal decrees by the House of Aragon. The approximately 3800 documents included in this book contain Sephardic names recorded during the period from 1213 to 1327. By this time family names were well developed. This is the richest documentary evidence ever published on Jews of any land. The Documents and Regesta from the Archives of Aragon, originally published in numerous volumes of the *Revue des Études Juives* some five decades ago and now brought together for the first time, relate the story of one of the most important and fascinating medieval communities, one which produced great scientists linguists, translators and writers, financiers and businessmen, politicians and diplomats, scholars and Rabbis. Yet, the account remains essentially the life story of ordinary men and women from all classes and all walks of life. The extensive indexes and carefully - prepared tables, maps and glossary open new avenues for further historical research on the way they lived, the laws which governed them and the extensive lore which they produced. Jean Regne (1883-1954) was an archivist and paleographer who published several historical works but his book on the Jews of Aragon based on the registers and documents found in the Crown of Aragon Archives is certainly the most important.

Secrecy and Deceit | The Religion of the Crypto-Jews, by David Gitlitz

Despite the increased attention given to Hispano-Jewish topics, and the "conversos" or Crypto-Jews in particular, this is the first thorough compilation of their customs and practices. The author has culled from Inquisition documents and other sources to paint a portrait of the richness and diversity of Crypto-Jewish practices in Spain, Portugal, and the New World. The history of Spanish Jews, or Sephardim, stretches back to biblical times. The Jews of Spain and Portugal made formative contributions to all Hispanic cultures, the impact of which is first being measured and recognized today. The Sephardim experienced a Golden Age in Iberia between 900-1100, during which they acted as the intermediaries between the rival political and cultural worlds of Islam and Christianity. This Golden Age ended with the Reconquest of Spain by Catholic overlords, though for another 300 years the Jews continued to contribute to Iberian life. In 1391 and again in 1492, intense and violent social pressures were put upon the Jews to join the larger Christian community. Many Jews converted, often unwillingly. In 1492 the remaining Jews were exiled from Spain. The converted Jews (Conversos) became an underclass in Spanish society. Many of them clung tenaciously to Jewish practices in the face of torture and death at the hands of the Inquisition. Having lost contact with other Jews, these people developed a religion which was an admixture of Catholic and Jewish rituals. David Gitlitz examines these practices in detail and attempts to answer the question of whether the Conversos were in fact Jewish. Gitlitz's research is exhaustive. He has combed through thousands of Inquisition records, showing that a sense of "Jewishness" if not Jewish practice remained a core value of many Spaniards' lives well into the 1700s. Gitlitz is convincing in showing that the Inquisition unwittingly aided crypto-Jews in perpetuating themselves by publishing Edicts of Faith. Essentially checklists for informers, they described the behavior of

"Judaizers" (sometimes the practices listed were absurd or simply erroneous). These, ironically, were used by Judaizers as guides to religious behavior. It is revealing that as the Inquisition faded, crypto-Judaism waned, though never totally vanished. Gitlitz's knowledge and research on the subject is encyclopedic. The book is written in a "textbook" style which makes it somewhat technical and dry, though it is enlivened by excerpts from Inquisition records, which Gitlitz has apparently chosen for their interest, irony, unintended comedy, or spiritedness. It is difficult to imagine that human beings would face the tortures of the rack for not eating pork. That these same tortured people could summon the will to laugh at their executioners is something wondrous. The book includes the names of the Sephardim (and sometimes their residences too).

From the PhD Dissertation of Michelle M. Terrill, "The Historical Archaeology of the 17th and 18th-Century Jewish Community of Nevis, British West Indies", Boston University, 2000 |

This is an historical archaeological examination of a 17th- and 18th-century Jewish community on the island of Nevis in the British West Indies. Unlike earlier archaeological studies of the Jewish Caribbean Diaspora that focused on single sites, the focus of this investigation was on increasing the understanding of the roles and lives of the Sephardim in the colonial Caribbean. The study of the Nevis community indicates that the Jews of the Caribbean were not fully integrated socially or politically into British colonial society.

The Jews of Jamaica, by Richard D. Barnett and Philip Wright. Oron Yoffe, Ben-Zvi Institute, Jerusalem, 1997. |

The product of many years of painstaking research by two late scholars, Richard D. Barnett and Philip Wright, this volume presents the texts or summaries of 1456 tombstone inscriptions of Jews who lived in Jamaica between 1663, when the British ousted the Spanish, and 1880, when systematic registration of deaths was introduced. Jewish families who had fled the Inquisition in Spain and Portugal settled in Jamaica in increasing numbers during that time. Ashkenazic Jews also settled there in the eighteenth century. The Jews played a significant part in developing the island's natural resources and its international trade. Featuring detailed indexes by name, date and language, *The Jews of Jamaica* is a valuable tool for the study of immigration to the Americas, the surnames, given names and genealogy of Sephardi Jews. The texts of the inscriptions, many of them in three languages (Hebrew, English and Portuguese or Spanish), are of cultural interest and sometimes refer to dramatic events in the lives of the Jewish residents of Jamaica during a turbulent period.

Judios Conversos (Jewish Converts) by Mario Javier Saban. Distal, Buenos Aires, 1990. The ancestors of the Argentinian Jewish families. |

This best-selling work traces the immigration of Conversos from Portugal to Argentina and Brazil. It contains many Sephardic names and family trees within its 3 volumes. Many of the individuals listed appeared before the Inquisition and were secret Jews. Some later converted and intermarried. Many of the names listed here represent the famous names of Jewish/Sephardic Argentina. Over 100 pages of genealogies, well detailed, are provided.

Judios Conversos (Jewish Converts) by Mario Javier Saban. Distal, Buenos Aires, 1990. The ancestors of the Argentinian Jewish families. List of the "Portuguese" (Jews) of Corrientes in the year 1643. |

This best-selling work traces the immigration of Conversos from Portugal to Argentina and Brazil. It contains many Sephardic names and family trees within its 3 volumes. Many of the individuals listed appeared before the Inquisition and were secret Jews. Some later converted and intermarried. Many of the names listed here represent the famous names of Jewish/Sephardic Argentina. Over 100 pages of genealogies, well detailed, are provided.

Sangre Judia (Jewish Blood) by Pere Bonnin. Flor de Viento, Barcelona, 2006. A list of 3,500 names used by Jews, or assigned to Jews by the Holy Office (la Santo Oficio) of Spain. The list is a result of a census of Jewish communities of Spain by the Catholic Church and as found in Inquisition records. |

Pere Bonnin, a philosopher, journalist and writer from Sa Pobla (Mallorca), a descendant of converted Jews, settles with this work a debt "owed to his ancestors", in his own words. The book, written in a personal and accessible style and based on numerous sources, includes a review of basic Jewish concepts, Jewish history in Spain, and Christian Anti-Semitism. There is also a section that focuses on the reconciliation between the Church and Monarchy and the Jews, which took place in the 20th Century. In this study, Bonnin deals in depth with the issue of surnames of Jewish origin. In the prologue, the author explains the rules he followed in the phonetic transcription of surnames of Hebrew origin that are mentioned in the book. The researcher cites the Jewish origin, sometimes recognized and other times controversial, of historically prominent figures (like Cristobal Colon, Hernan Cortes, Miguel de Cervantes Saavedra and many others) and links

between surnames of Jewish origin with some concepts in Judaism.. The book also includes an appendix with more than three thousands surnames "suspected" of being Jewish, because they appear in censuses of the Jewish communities and on the Inquisitorial lists of suspected practitioners of Judaism, as well as in other sources. In the chapter "Una historia de desencuentro", the author elaborates on surnames of Jewish origin of the royalty, nobility, aristocracy, clergy, and also of writers, educators and university teachers during the Inquisition. Special attention is given to the "Chuetas" of Mallorca, the birthplace of the author.

Raizes Judaicas No Brasil,(Jewish Roots in Brazil) by Flavio Mendes de Carvalho. |

This book contains names of New Christians or Brazilians living in Brazil condemned by the Inquisition in the 17th and 18th centuries, as taken from the archives of Torre do Tombo in Lisbon. Many times details including date of birth, occupation, name of parents, age, and location of domicile are also included. The list also includes the names of the relatives of the victims. There are several cases in which many members of the same family were tortured and sentenced so some family lines may end here.

A Origem Judaica dos Brasileiros (The Origin of The Brazilian Jews), by Jose Geraldo Rodrigues de Alckmin Filho |

This publication contains a list of 517 Sephardic families punished by the inquisition in Portugal and Brazil.

The Circumcision Register of Isaac and Abraham De Paiba (1715-1775) from the Archives of the Spanish and Portuguese Jews' Congregation of Bevis Marks(London. England). |

The circumcision register of Isaac and Abraham de Paiba (1715-1775): from the manuscript record preserved in the Archives of the Spanish and Portuguese Jews' Congregation of London named "Sahar Asamaim" transcribed, translated and edited by the late R.D. Barnett, with the assistance of Alan Rose, I.D. Duque and others; There is also a supplement with a record of circumcisions 1679-1699, marriages 1679-1689 and some female births 1679-1699, compiled by Miriam Rodrigues-Pereira. The register includes surnames of those circumcised as well as the names of their Godfathers & Godmothers.

Conversos on Trial, by Haim Bienart. The

Hebrew University Magnes Press Ltd. 1981. |

The third volume in the Hispania Judaica Series, this well written story of the converso community of Ciudad Real in Spain, based on the Inquisition trials of the mid 15th century. The book was written by Haim Beinart (1917-2010), Professor at Hebrew University in Jerusalem and an expert on this subject, and contains a list of names, sometimes also providing the names of relatives, house locations, and professions. Based on the Inquisition's records, it is a portrait of the Conversos' deep yearning for their Jewish past and the ultimate sacrifice they were prepared to offer for their continued adherence to their ancestral faith.

The Other 1492 | Jewish Settlement in the New World

1492 was the year in which the vibrant Jewish community of Spain came to an abrupt and tragic end. This book details the expulsion of the Jews from Spain and Portugal and their early immigration to the New World. European anti-Semitism followed the Jews but the newcomers persevered and made a home for themselves in the New World.

The Abarbanel Foundation Website, "Reintegrating the Lost Jews of Spain & Portugal" |

List of names of forcibly converted Jews who were tried by the Spanish Inquisition for practicing Judaism in Mexico in the years 1528 - 1815

Ruth Reyes, "Sephardic Family Names from Puerto Rico", The Casa Shalom Journal, Volume 10, Published by The Institute for Marrano-Anusim Studies, Gan Yavneh, Israel 2008 |

This list is compiled from a catalogue the author found on a visit to Puerto Rico in the Museum of San Juan.

Around the 12th century, surnames started to become common in Iberia. In Spain, where Arab-Jewish influence was significant, these new names retained their old original structure, so that many of the Jewish surnames were of Hebrew derivation. Others were directly related to geographical locations and were acquired due to the forced wanderings caused by exile and persecution. Other family names were a result of conversion, when the family accepted the name of their Christian sponsor. In many cases, the Portuguese Jews bear surnames of pure Iberian/Christian origin. Many names have been changed in the course of migration from country to country. In yet other cases "aliases", or totally new names, were adopted due to fear of persecution by the Inquisition.

An interesting fact about the name this name are :

- Garcia is the 8th most popular surname in the United States, the most common Hispanic surname in the country based on the 2000 census
